SMALL LED VANITY

Unity's minimalist silhouette artfully combines form and function. A sleek cylinder of etched tempered glass, silk-screened white along the inside, is exquisitely captured on each end with solid die cast brackets precisely formed to match the contour of the glass shade. The eco-efficient linear LED light source provides warm white light and is fully dimmable. Offered in Brushed Nickel or Polished Nickel, a raceway back plate allows mounting directly to the wall without the included junction box cover plate, for a clean and minimal look when mounting vertically or horizontally.
